

BCOE Breeders

This list contains the names of ALL of the Code of Ethics approved breeders. There are no other approved NEMDA breeders. Since NEMDA offers membership to everyone, there may be breeders who are NEMDA Members but who have not chosen to apply for NEMDA Breeders' Code of Ethics status and are therefore not NEMDA Breeders.

Please be advised that NEMDA does not recommend any breeder unless that breeder is a Code of Ethics breeder, and that NEMDA does not maintain records of non-BCOE breeders' activities nor the suitability of their breedingstock.
