

Host an Entle Day in Your Area

Entle Days are local or regional events that allow Entle Owners to meet other Entles and owners in their area. Hosting an Entle Day can be as simple as inviting local Entlebucher families to a potluck or a hike. Or Entle Days can be organized around larger events such as a Maifest or a dog show or trial.

Entle Days can be just for fun, or they can be educational, or they can raise money for NEMDA. New ideas for Entle Days are always welcome.
