Entle Days are regional events that allow Entle Owners to meet others in their community.

Hosting an Entle Day can be as simple as inviting local Entlebucher families to a potluck or a hike. Other Entle Days introduce Entlebuchers to new dog events. Entle Days have been organized around larger dog events such as an ARBA dog show. Entle Days can be just for fun, or they can be educational, or they can raise money for NEMDA. New ideas for Entle Days are welcome.
